HATE MAIL

Dear Psycho

Hi I saw your last issue and I wanted to say that I think
 you are one sexy bunny! It's really hard to find other
 bunnies that are not soft and sweet! Anyway let's talk!
 I'm pasty white almost blue. People think I'm dead or
 something like that. I've been accused of necrophilia
 but I don't listen. I scare away other bunnies.
 Hope that's not a problem. Anyway I hope we can
 meet up real soon or ASAP.

Yours and always truly,

Edna Eggshells

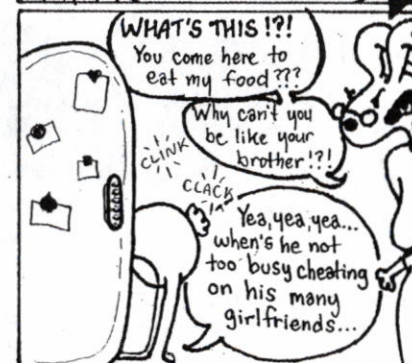

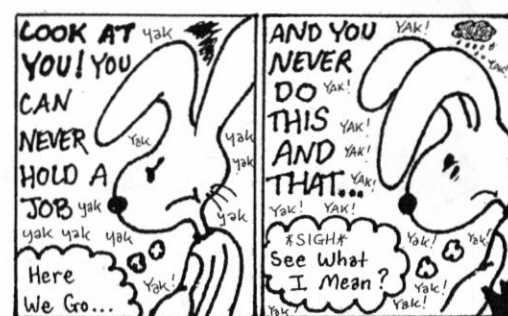

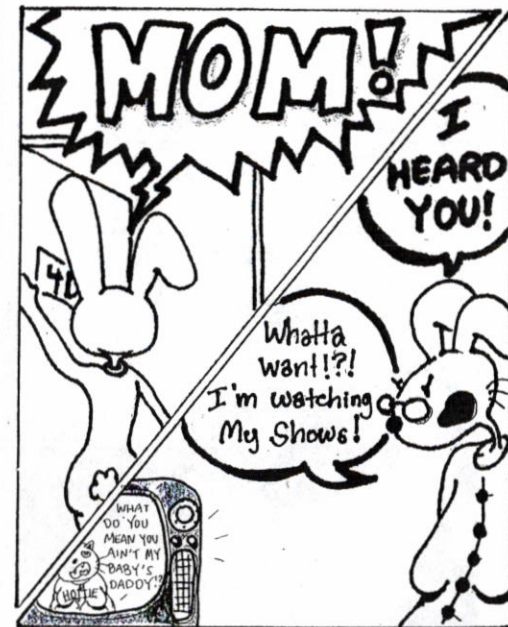

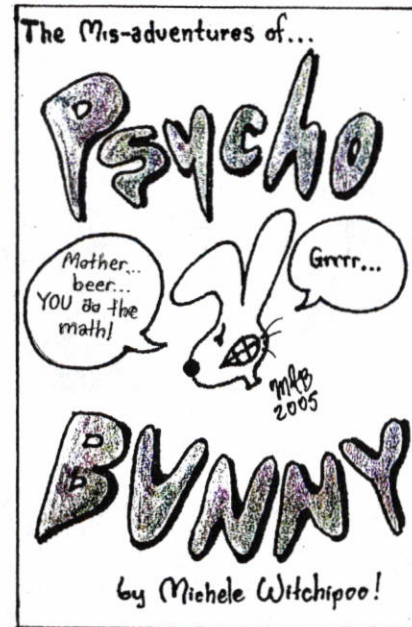

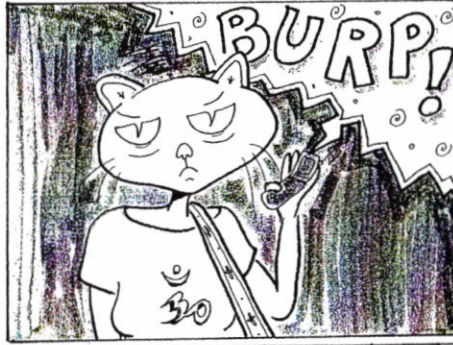

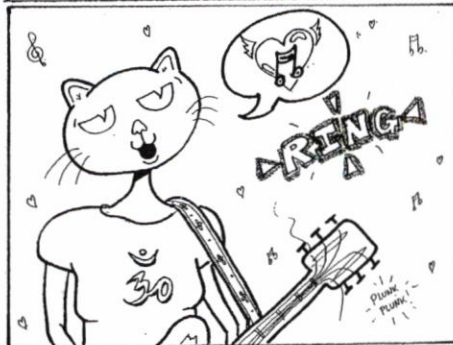

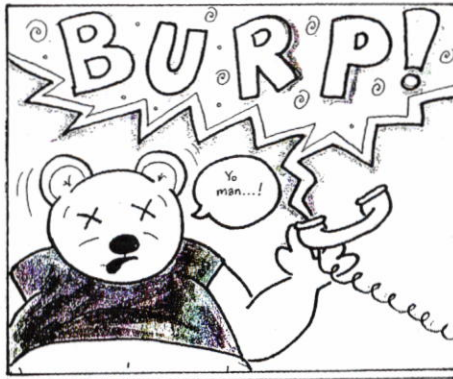

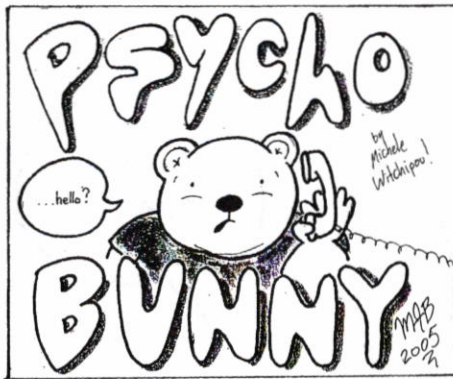

P.S. - Don't let the blood splatter to be a distraction
 in my photo. Nevermind what's under the bed

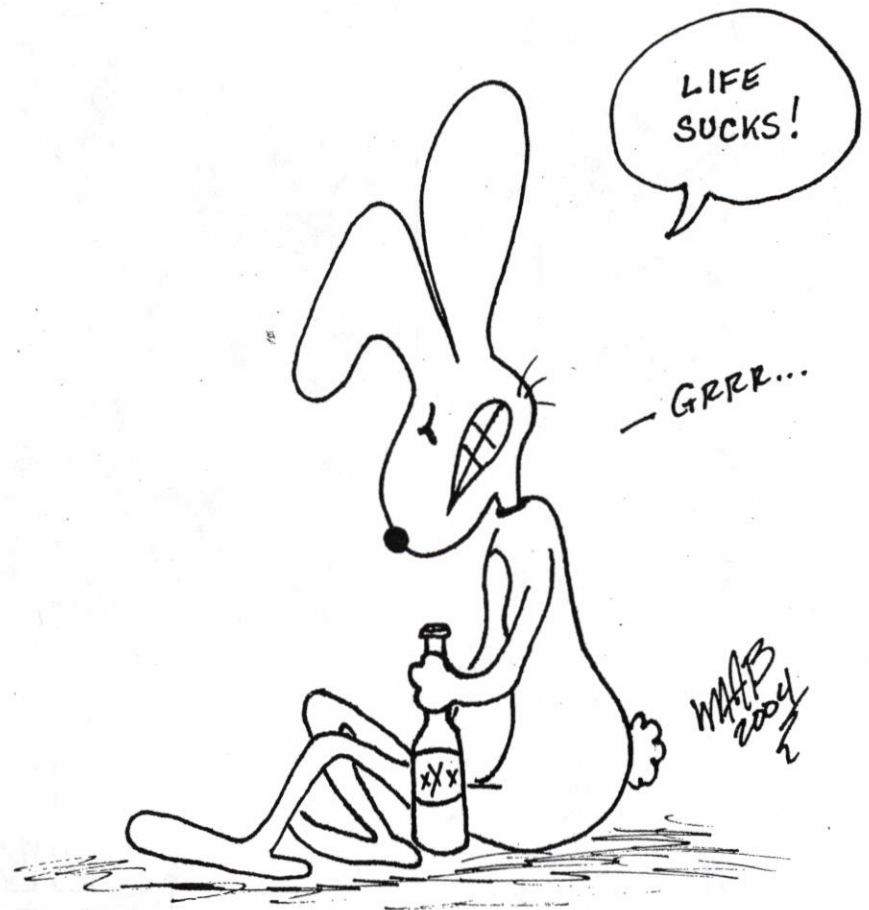

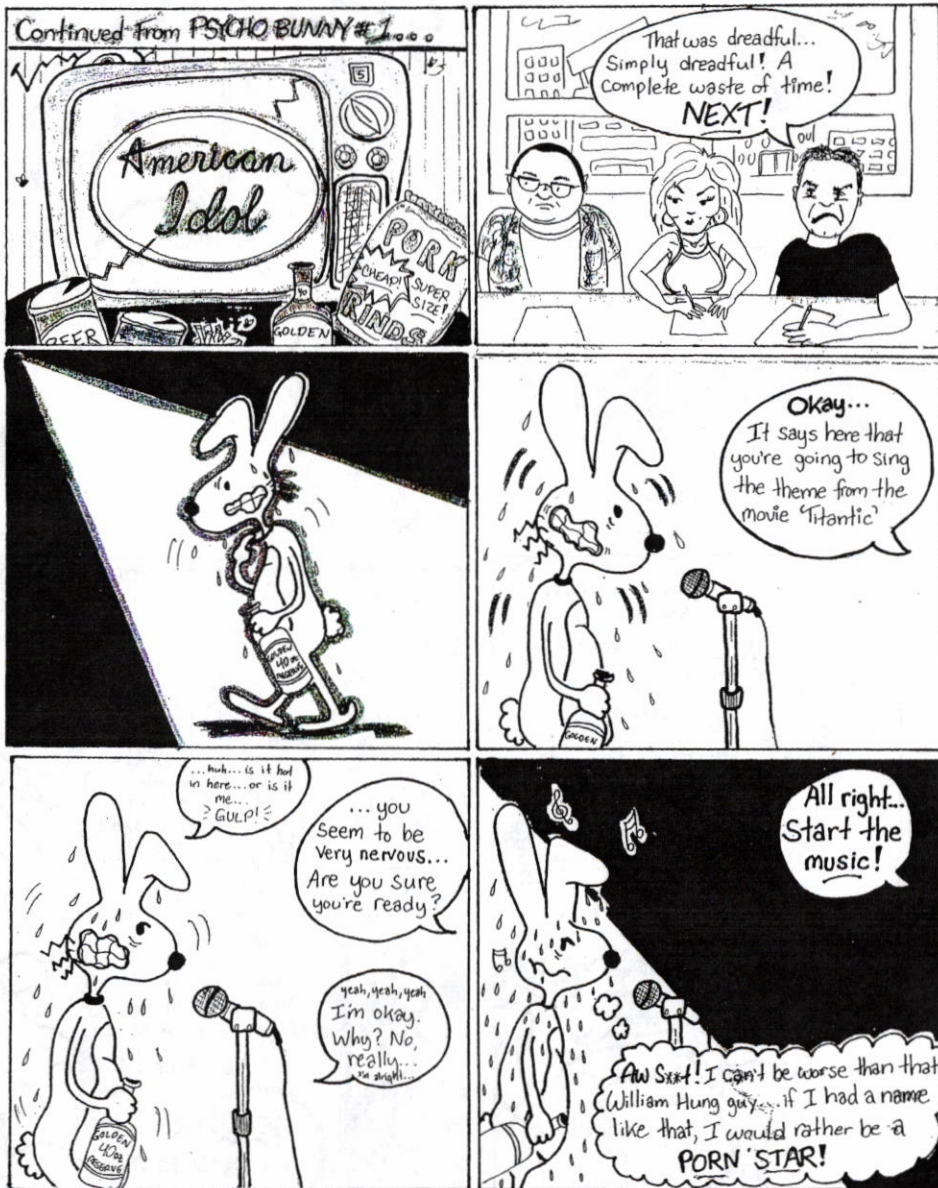

Psycho Bunny replies:
 Huh...no thank you. No wonder beer is my best
 friend. I think I'll stick with my hand and my
 self-pity...
